9817544104 | officialankitkhan@gmail.com | Mohali, Punjab

---

## Education

---

### Chandigarh Engineering College | Mohali, Punjab BTech CSE | 06/2025

- Currently completing courses in computer science and engineering.
- Graduation GPA throughout - 7.9 CGPA

### Northern International School | Adampur, Hisar

- Intermediate (CBSE)
  - Session: 2020-2021 | Percentage: 86%
- Matriculation (CBSE)
  - Session: 2019-2020 | Percentage: 94%

## Experience

---

### uTest | Work from Home QA Test Engineer | 05/2022 - Present

- 2+ Years of experience in QA Testing across various organizations including Meta, Google etc

## Projects

---

### NewHub

- **Duration:** 1 Month
- **Environment:** VS Code, React
- **Team Size:** Individual
  - Developed Newshub, a dynamic news platform with ReactJS, integrating multiple news APIs to deliver real-time updates.
  - Implemented API integrations for fetching news data, ensuring timely and relevant information for users with proper accuracy.
  - Used error handling strategies to manage API call failures, ensuring a stable user experience.

### Text Manager

- **Duration:** 1 Month
- **Environment:** VS Code, React
- **Team Size:** Individual
  - Developed a React-based text management tool that provides various text manipulation features, including capitalization, case conversion, space removal, word/letter counting, text copying, and text clearing functionality.
  - Implemented dark/light theme toggle to enhance the user experience, ensuring accessibility and customization.
  - Deployed the project at [textt.pages.dev](https://textt.pages.dev) for live user interaction.

## Certificates

---

- AWS Academy Cloud Architecting
- AWS Academy Graduate — AWS Academy Data Engineering
- Certificate of Appreciation from DevTown
- Redhat IT Aptitude Test

## Languages

---

English, Hindi
